## **Welcome To The 1973 Kentucky National Shorthorn Show and Sale**

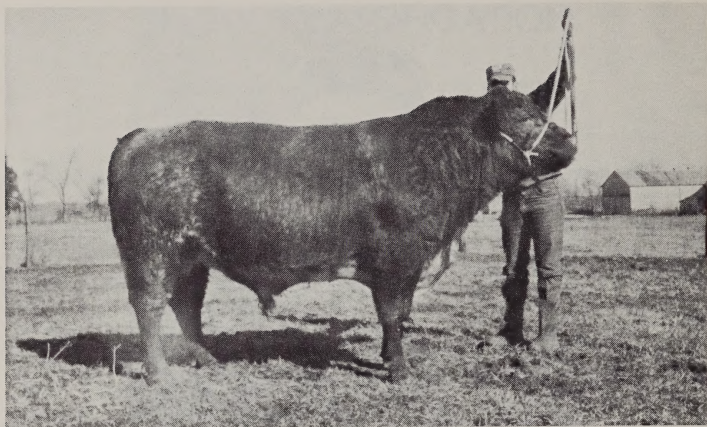

It is a pleasure for me to again have the opportunity of extending, on behalf of the Kentucky Department of Agriculture, an official welcome to the annual Kentucky National Shorthorn Show and Sale. I am sure that Shorthorn breeders throughout the State share the feeling of pride that we of the Department have as we prepare for the annual show and sale.

As we have said before, we of the Department believe that the purebred show and sale program of which the Kentucky National Shorthorn Show and Sale is a part, is making a major contribution to the beef industry. This program has been successful, and will continue to be successful, because it is a cooperative effort to advance our cattle industry.

Those of you who have participated in this program before know that the quality of the consignments is first-rate. For those who may be participating for the first time, either as a consignor or potential buyer, I am sure you will find animals of the type that will mean greater production . . . and profit in the years ahead.

We of the Department appreciate the cooperation and support of the Shorthorn Association and extend our thanks to each consignor. We trust that by working together 1973 will be another banner year in the showing and selling of purebred cattle in Kentucky.
